REMOVAL SUMMARY: NO REMOVAL DURING AUCTION! Nothing will be removed until paid in full. Due to the fact that this is an operating facility, one rigging company will be contracted to oversee all removal aspects of this plant. The rigging company will provide a price guideline prior to auction estimating removal costs for each piece of equipment. In addition to paying for the equipment, buyers will also pay for removal costs, which will include the item being removed from the facility and loaded onto a truck/trailer. The rigging company will provide forklift and removal assistance for all small items based on an hourly fee. A price guideline will be available prior to auction. Small items are those not attached to the real property. Buyers will have 7 days to remove all their small purchases; after this date, all remaining items are subject to forfeiture. Buyers will have 30 days to remove larger items attached to the property; actual removal deadlines will vary by lot. Buyers are responsible for all items once an item has been sold.
